

Marengo Ridge Golf Club

2010 Beginners KIS Clinic

Keep It Simple clinic is designed for the novice player. Have you always wanted to play golf but were to 'embarrassed' by what you think is lack of ability? You're not sure how to hold the club. You're not sure how to chip or putt. What club should I use? Where do I stand? What is the correct etiquette? Am I breaking a rule? The list of questions goes on. It's very difficult to grasp all of this when all your husband or boyfriend tells you is "hurry up" and the ever famous "keep your head down". Learn the fundamentals that will allow you to become confident in your abilities and add golf as a fun, healthy recreation to be enjoyed with family and friends for a lifetime. Marengo Ridge's teaching staff will be able to answer all your questions and teach you how to enjoy the game without the embarrassment attached. Clinics begin June 4th and meet every Friday for 4 weeks. Each session lasts 1:15 minutes. The cost is \$100, you will receive 5 hours of professional instruction all geared towards your individual swing, understanding the game and its nuances allowing you to enjoy golf for a lifetime with confidence.
